addinslistAddin	<i>Addin for browsing and installing RStudio addins</i>
-----------------	---

Description

This addin allows you to interactively browse through the list of existing addins, see which ones you already have installed, and let you install/uninstall the corresponding package of each addin. This addin can be invoked from RStudio's "Addins" menu.

Usage

```
addinslistAddin()
```

Examples

```
if (interactive()) {  
  addinslistAddin()  
}
```

Index
